or use the attached mail in registration form. **When submitting payment, please include your registration form (either I-Clays or mail-in.)** We will allow late registration to the extent that we have available slots for shooters. There will be **no on-site registration.**

**Payment:** Accepted forms of payment are credit cards (visa, master card, or discover), personal checks, cashier's checks, or money orders. Checks must be made out to "Kerr 4-H Skeet & Trap Club". When paying by check, any returned check will result in the cancellation of the entry/entries that the check was paying for. To re-enter, you must pay a \$50.00 returned check fee. This option will only be available if there are still slots open.

**Refund Policy:** Full refunds will be made to shooters who cancel their registration on or before May 15, 2015. Refunds minus the \$25.00 registration fee and any applicable late fees will be made to any shooter who cancels **before** June 5, 2015. **NO** refunds will be made for cancellations or no shows on or after June 5, 2015. All requests for refunds must be received in writing by one of the following methods: e-mail, fax (830-257-6573) or U.S. Mail at the address provided above. **All refunds will be processed and mailed after the tournament is completed.**

**Teams:** **All teams must be selected at the time you register. Partners must be from the same county.** No team selections will be allowed at the tournament. Adult/youth teams for sporting clays must also be selected at the time of registration. Age groups for teams may be mixed, however shooters will be moved up in class to be able to shoot with a partner who is in a higher age class and must compete in that age class for the entire tournament. Team Event includes scores from: American Skeet, American Trap, Whiz-Bang, in each age class.

**Meals:** One meal ticket will be provided to each youth shooter during the tournament. The shooter may use this ticket at any time during the event. Concessions will be available throughout the tournament.

**Maps:** Layout maps of the facility will be provided to each contestant with their registration packet. These maps will depict the locations of all venues during the tournament and will also be available online.

**Tie Breakers:** Any ties in the Sporting Clays event will be decided by a Station Tie Breaker. All other events will have tie settled by a shoot off. There will be no Puff Rounds for the International Events.

**Parent/Coach on fields:** **No coaching will be allowed while the youth shooter is on the field or in the cage during events.** For safety reasons, parents will not be allowed on the skeet or trap fields. Distinctive barriers and signs that designate the fields from the spectator areas will be in place and will be pointed out to all attendees. Failure to adhere to this rule will result in the disqualification of the youth shooter affiliated with that adult for that event. On the WHIZ-BANG and Sporting Clay field spectators, parents or coaches will maintain a respectable distance from the shooting cages to allow the referee room to officiate the match. At no time may the parent, coach or spectator interfere with the duties of the referee. Failure to respect this will result in the disqualification of the youth shooter affiliated with that spectator, parent or coach. Continued failure to adhere to these rules will result in the expulsion of the parent, coach or spectator.

**Shooting Carts:** The following is a non-negotiable Hill Country Shooting Sports Center policy on the use of shooting carts at the facility. If you are planning to bring a clay cart on the property, you must complete a cart agreement form (Also included in registration packet). All completed forms can be mailed prior to the shoot to **Hill Country Shooting Sports Center, 1886 Cypress Creek Rd., Kerrville, TX 78028. Attn: Clay Cart Policy** or can be brought with you to the shoot. Drivers must be at least 16 years of age and **have in their possession** a valid driver's license. In addition, a parental unit must accompany any driver under the age of 18. Failure to adhere to these rules will result in the cart being parked for the remainder of the tournament. Any reckless driving or entry into off limits areas will result in the same penalty. Range staff will have the sole discretion in this matter. Carts may not carry more persons than they are designed to transport.

**Pets:** **Pets are allowed on the facility, but must be on leash at all times.** No pets allowed in the buildings. Please pick up after your pet.

**HOA:** The Kerr County HOA division is in each age class including ladies. HOA scores are determined by the totals of American Skeet, American Trap, WHIZ-BANG and Sporting Clays added together.

**Novice Class:** There will be **NO** novice class at this tournament. All youth shooters will be classed based on their age class per 4-H rules.

**Ladies Class:** There will be a ladies class at this tournament divided by age categories Junior, Intermediate, Senior 1 and Senior 2. Ladies may designate to shoot in the Open division; otherwise all female shooters will default to Ladies division. All ladies who wish to shoot this class must designate so on their registration. Once chosen the lady will remain in that class for the entire tournament. A Ladies HOA will be awarded.

**Scores:** Score will be available online real time at: <https://www.iclays.com/scores/scores3698.html>. Monitors may also be available to see the scores at the facility. Scores may be checked at anytime by wireless Internet provided at the facility.

**4-H Enrollment:** This is a 4-H event; therefore all entrants must be members of a Texas 4-H Club. All entrants must register and shoot with the 4-H County that they are enrolled in. (Ex. If you are member of Gillespie Co. 4-H, who does not have a shooting program, but practice with the Kerr Co. 4-H program, you must enter this shoot as Gillespie Co.)

**Protest Procedure:** Protests should be initiated immediately, and no protest will be considered after the awards ceremony for that event has started. A formal protest may be initiated by the shooter **only**. Parents or coaches may not initiate a protest or participate in writing a protest statement. The formal protest procedure follows:

- a) State the complaint orally to the field referee, if not satisfied by the decision then;
  - b) State the complaint orally to the chief referee, if not satisfied by the decision then;
  - c) File a written protest with the chief referee within one hour after the completion of the recorded rounds in question.
1. **Protest fee** – A protest fee of \$25.00 must accompany any formal or written protest. If the protest is sustained, the fee will be returned. If it is denied, the fee will be retained by the shoot management.
  2. **Protest committee action** – The protest committee will act on the formal, written protest in an expeditious manner to reach resolution as quickly as possible. Failure of the protest initiator to appear when requested by the committee is justification for summary dismissal of the protest unless the content is clear without such appearance. Excessive, adversarial or abusive argument by any person involved may be treated similarly. Committee actions will be announced in private prior to the event awards ceremony.

**Code of Conduct:** The current 4-H code of conduct will be enforced both on & off the fields during this event. Shooters, volunteers, family members, or observers may be expelled from the event, match or grounds for failure to comply. Shoot management reserves the right to refuse future registration to any shooter who does not comply with the current 4-H code of conduct.
