LOOK FOR THE PURPLE WATER-WISE PLANT LABELS

Xeriscape Corpus Christi, a nonprofit organization, in cooperation with local participating nurseries, have teamed up to help homeowners select plants that are proven performers in the Coastal Bend. **Local nurseries** will place Water-Wise labels on the selected plants to make plant selection easier. Once established, these plants will help you save water in your landscape. To request a free Xeriscape-to-Go booklet, call the City of Corpus Christi Water Hotline at (361) 826-1600.

TREES

Scientific Name

Acacia farnesiana
Carya illinoensis
Chilopsis linearis
Cordia boissiere
Ehretia anacua
Erythrina crista-galli
Fraxinus berlandieriana
Fraxinus X 'Fan-Tex'
Ilex vomitoria
Lagerstroemia spp.

Parkinsonia aculeata
Persea borbonia
Pithecellobium flexicaule
Prosopis glandulosa
Pyrus kawakamii
Quercus polymorphus
Quercus virginiana
Sapindus drummondii
Sophora secundiflora
Ulmus crassifolia
Ulmus parvifolia
Vitex agnus-castus

Common Name

Huisache, Sweet Acacia
Pecan
Desert Willow
Wild Olive
Anaqua or Sandpaper Tree
Fireman's Cap
Rio Grande Ash
Fan-Tex Ash
Yaupon Holly Tree
Crapemyrtle ('Basham Party Pink' and 'Natchez', 'Catawba')
Retama, Jerusalem Thorn
Native Sweetbay (sandy soils only)
Texas Ebony
Mesquite
Ornamental Evergreen Pear
Mexican Live Oak
Live Oak (Nursery Grown Only)
Western Soapberry
Texas Mountain Laurel
Cedar Elm
Chinese Evergreen Elm
Lavender Tree

PALMS & CYCADS

Arecastrum romanzoffanum
(Cocos plumose)
Brahae armata
Butia capitata (Cocos australis)
Chamaerops humilis
Cycas revoluta
Dioon edule
Livistona chinesnsis
Phoenix dactylifera
Raphis excelsa
Sabal minor
Sabal palmetto
Sabal texana
Trachycarpus fortunei
Washingtonia robusta
Washingtonia filifera

Queen Palm

Mexican Blue Palm
Pindo or Jelly Palm
Mediterranean Fan Palm
Sago Palm
Mexican Sago Palm
Chinese Fan Palm
True Date Palm
Lady Palm
Palmetto Palm
Cabbage Palm (Florida Sabal)
Texas Sabal
Windmill Palm
Fan Palm
Fan Palm (Freeze Hardy)

SHRUBS, VINES AND HERBACEOUS PERENNIALS

Acalypha wilkesiana
Agave americana
Aloe vera
Alpinia zerumbet (green and variegated)
Antigonon leptopus
Apenlia cordifolia
Artemesia 'Powis Castle'
Asparagus sprengeri
Asparagus sprengeri "Myers"
Aspidistra elatior
Bambusa multiplex
Bauhinia congesta
Berberis (Mahonia) trifoliata
Bougainvillea spp.
Bulbine frutescans
Caesalpinia spp.
Callistemon citrinus
Campsis radicans
Carissa spp.
Cortaderia seloana
Cyrtomium falcatum
Dasylirion texanum
Diets (Moraea) bicolor
Duranta repens

Copperleaf, Copperplant
Century Plant
Aloe vera, Medicine Plant
Shell Ginger
Coral Vine, Queen's Wreath
Heart Leaf Ice Plant
Artemesia X 'Powis Castle'
Asparagus Fern
Foxtail Fern
Aspidistra, Cast Iron Plant
Clumping Bamboo
Dwarf Orchid Tree
Agarita, Agarito
Bougainvillea
Bulbine frutescans
Bird of Paradise Bush, Mexican Poinsianna
Bottlebrush
Trumpet Vine, Trumpet Creeper
Natal Plum
Pampas Grass
Holly Fern
Sotol
Yellow African Iris
Sky Flower

SHRUBS, VINES AND HERBACEOUS PERENNIALS

(continued)

Scientific Name

Elaeagnus pungens
Eriobotrya x "Coppertone"
Euryopas pactinatus
Feijoa sellowiana
Ficus pumila (F. repens)
Galphimia glauca (Thyrallis glauca)
Hamelia patens
Hemerocallis spp.
Hesperaloe parviflora
Hibiscus rosa-sinensis

Illex vomitoria

Ilex vomitoria nana

Jasminum mesnyi

Jatropha gossypifolia

Juniper spp.

Justicia brandegeana

Justicia spicigera

Lantana horrida

Lantana camara

Lantana X 'New Gold'

Lantana montevidensis

Leucophyllum frutescens

Liriope muscari 'Giant'

Lonicera japonica chinesnsis

Malpighia glabra

Malvaviscus arboreous 'Giant'

Muhlenbergia capillaris

Nandina domestica

Nandina domestica "Nana"

Nerium oleander

Opuntia spp.

Passiflora alatacaerulea (P. pfordtii)

Pennisetum setaceum

Pittosporum tobira

Plumbago auriculata (P. capensis)

Podocarpus macrophyllus

Punica granatum

Pyracantha spp.

Raphiolepis indica

Rosmarinus officinalis

Rosmarinus prostrata

Ruellia brittoniana

Russelia equisetiformis

Salvia coccinea

Salvia leucantha

Stigmaphyllon littorale

Strelitzia reginae

Tagetes lemmonii

Tecoma stans

Tecoma capensis (Tecomaria capensis)

Trachelospermum jasminoides

Tulbaghia violacea

Viburnum spp.

Xylosma congestum

Yucca spp.

Common Name

Silverberry
Coppertone Loquat
Grayleaf Euryops
Pineapple Gauva
Fig Ivy
Yellow Plumbago
Fire Bush, Hummingbird Bush
Daylillies
Red Yucca
Hibiscus (only Brilliant Red, Whitewing, Cherie, Kona, Seminole, Single Rose, Jane Kowl, Celia, Double Rose)
Yaupon
Dwarf Yaupon
Primrose Jasmine
Jatropha
Juniper (Sea Green, Blue Rug)
Shrimp Plant
Mexican Honeysuckle
Texas Lantana (orange)
Upright Lantana
New Gold Lantana
Trailing Purple or Trailing White Lantana
Texas Silverleaf, Sage, Cenizo
Giant Liriope
Japanese Purple Honeysuckle
Barbados Cherry
Turk's Cap
Muhly Grass
Nandina
Dwarf Nandina
Oleander
Prickly Pear Cactus
Purple Passion Vine
Purple Fountain Grass
Pittosporum (green and variegated, excluding dwarf)
Blue Plumbago
Japocane Yew
Pomegranate (Regular & Dwarf)
Firethorn, Pyracantha
Indian Hawthorne (white only: Snow white, Clara)
Rosemary
Prostrate or Trailing Rosemary
Mexican Petunia (Katy' Dwarf Ruellia)
Firecracker Plant
Scarlet or Tropical Sage
Mexican Bush Sage
Butterfly Vine
Bird of Paradise
Copper Canyon Daisy
Esperanza, Yellowbells
Cape Honeysuckle (Tecoma capensis)
Confederate Jasmine
Society Garlic
Viburnum
Xylosma
Yucca
